Step 3: Price

Prices include three quarterly updates in addition to the initial information. All prices are quoted in U.S. dollars. The prices vary depending on which items are ordered and the quantity of data. For a single item for one country, the price ranges from \$3 to \$20. All the information for all countries is \$11,580. To illustrate, Address Formats with the formatting of the address block for each country are \$129.00 for any 12 countries and \$885.00 for all countries.

Quarterly updates can be purchased on a yearly basis to keep the information up to date and are priced below the initial data purchase. Please inquire for a detailed price quotation.

A deposit is required for large orders. Payment can be made by check, bank transfer, or charged to American Express, Visa, MasterCard or JCB card accounts.
